

The background is an abstract composition of various shades of blue and white. It features numerous overlapping, expressive brushstrokes and splatters, creating a sense of movement and depth. The colors range from light, airy blues to deep, dark navy blues, with white highlights that suggest light reflecting off a textured surface. The overall effect is dynamic and artistic.

HEBEL SCUPTURE

WEEK 8

How to make hebel sculpture

- Hebel is a soft, stone like material that is wonderful for carving.
- Hebel is easy to work with and creates a smooth finish. Sculpting with Hebel is easier than many other types of stone or concrete, but it still takes special planning and consideration.
- flat work surface and appropriate tool
- Then, sketch out your design on the Hebel and carve.
